

Painting and mixed media			
EYFS: Reception		Year 1	Year 2
Methods, techniques, media and materials	Pupils know how to:		
	<ul style="list-style-type: none"> • Explore paint, using hands as a tool. • Describe colours and textures as they paint. • Explore what happens when paint colours mix. • Make natural painting tools. • Investigate natural materials eg paint, water for painting. • Explore paint textures, for example mixing in other materials or adding water. • Respond to a range of stimuli when painting. • Use paint to express ideas and feelings. • Explore colours, patterns and compositions when combining materials in collage. 	<ul style="list-style-type: none"> • Combine primary coloured materials to make secondary colours. • Mix secondary colours in paint. • Choose suitable sized paint brushes. • Clean a paintbrush to change colours. • Print with objects, applying a suitable layer of paint to the printing surface. • Overlap paint to mix new colours. • Use blowing to create a paint effect. • Make a paint colour darker or lighter (creating shades) in different ways eg. adding water, adding a lighter colour. 	<ul style="list-style-type: none"> • Mix a variety of shades of a secondary colour. • Make choices about amounts of paint to use when mixing a particular colour. • Match colours seen around them. • Create texture using different painting tools. • Make textured paper to use in a collage. • Choose and shape collage materials eg cutting, tearing. • Compose a collage, arranging and overlapping pieces for contrast and effect. • Add painted detail to a collage to enhance/improve it.
Methods, techniques, media and materials	So that they can:		
	<p>Use a range of drawing materials, art application techniques, mixed-media scraps and modelling materials to create child-led art with no set outcome.</p>	<p>Develop some control when using a wide range of tools to draw, paint and create crafts and sculptures.</p> <p>Make choices about which materials to use to create an effect.</p>	<p>Further demonstrate increased control with a greater range of media.</p> <p>Make choices about which materials and techniques to use to create an effect.</p> <p>Use hands and tools with confidence when cutting, shaping and joining paper, card and malleable materials.</p> <p>Develop observational skills to look closely and aim to reflect some of the formal elements of art (colour, pattern, texture, line, shape, form and space) in their work.</p>

See skills progression [here](#)

		Painting and mixed media			
		Year 3	Year 4	Year 5	Year 6
Methods, techniques, media and materials	Pupils know how to:	<ul style="list-style-type: none"> Use simple shapes to scale up a drawing to make it bigger. Make a cave wall surface. Paint on a rough surface. Make a negative and positive image. Create a textured background using charcoal and chalk. Use natural objects to make tools to paint with. Make natural paints using natural materials. Create different textures using different parts of a brush. Use colour mixing to make natural colours. 	<ul style="list-style-type: none"> Mix a tint and a shade by adding black or white. Use tints and shades of a colour to create a 3D effect when painting. Apply paint using different techniques eg. stippling, dabbing, washing. Choose suitable painting tools. Arrange objects to create a still life composition. Plan a painting by drawing first. Organise painting equipment independently, making choices about tools and materials. 	<ul style="list-style-type: none"> Develop a drawing into a painting. Create a drawing using text as lines and tone. Experiment with materials and create different backgrounds to draw onto. Use a photograph as a starting point for a mixed-media artwork. Take an interesting portrait photograph, exploring different angles. Adapt an image to create a new one. Combine materials to create an effect. Choose colours to represent an idea or atmosphere. Develop a final composition from sketchbook ideas. 	<ul style="list-style-type: none"> Use sketchbooks to research and present information. Develop ideas into a plan for a final piece. Make a personal response to the artwork of another artist. Use different methods to analyse artwork such as drama, discussion and questioning.
	So that they can:	<p>Confidently use of a range of materials and tools, selecting and using these appropriately with more independence.</p> <p>Develop direct observation, for example by using tonal shading and starting to apply an understanding of shape to communicate form and proportion.</p>	<p>Demonstrate greater skill and control when drawing and painting to depict forms, such as showing an awareness of proportion and being able to create 3D effects.</p> <p>Apply observational skills, showing a greater awareness of composition and demonstrating the beginnings of an individual style.</p>	<p>Work with a range of media with control in different ways to achieve different effects, including experimenting with the techniques used by other artists.</p> <p>Combine a wider range of media, eg photography and digital art effects.</p> <p>Create in a more sustained way, revisiting artwork over time and applying their understanding of tone, texture, line, colour and form.</p>	<p>See skills progression here</p> <p>Create expressively in their own personal style and in response to their choice of stimulus, showing the ability to develop artwork independently.</p> <p>Combine materials and techniques appropriately to fit with ideas.</p> <p>Work in a sustained way over several sessions to complete a piece, including working collaboratively on a larger scale and incorporating the formal elements of art.</p>
